MENU

## HOW IT WORKS

Experience the excitement and flavours of Brazil with our traditional rodizio style dining!

Our rodizio includes a variety of grilled meats cooked on our churrasco (Brazilian BBQ) and a selection of food from our hot buffet and salad bar.

When you are ready, take a plate from the food bar and customize your own salad with fresh greens and veggies, and savour the flavours of our hot buffet dishes, from rice and beans to stews and casseroles.

Grab your tongs and flip your card to the **Green** side, signalling our passadors (meat servers) to begin bringing around a variety of grilled meats. From succulent beef, juicy pork, tender chicken, marinated lamb and more, our meats are seasoned to perfection and sliced right onto your plate. When you're satisfied or just want to take a break, simply flip your card to the **Red** side.

And don't forget to leave some room for dessert! Indulge in one of our homemade sweets, like Brigadeiro or Pudim, for the perfect finish to your meal.
